NEW INITIATIVES
CHILDREN IN EMERGENCIES

Children in Emergencies

80 churches and organisations
500 staff
10,000 children

INITIATIVE FOCUS:
Child Protection in emergency situations

Specialist: Kezia M’Clelland

Current Focus:
- Completing online Toolkit for people working with children in emergencies
- Specialist support for international NGOs to ensure good child protection is included in their emergency response
- Child Protection Champions programme for child protection trainers globally, including quarterly webinar, WhatsApp and training
- Developing network programme template networks to respond well in emergency situations including situation assessment to tailor response to emerging needs.

Current Highlight:
(Stat/qualitative highlight from the last year)
